* The **My Little Team & Me** workshop is a very useful resource to assist coaches and provide foundation tools to use in coaching to assist players to learn and develop. There is a small charge of \$10.00 to take part in the My Little Team & Me workshop.

STAFF CHANGES

Tracy Collier has left us to take up a new challenge as Operations Manager of Hockey Taranaki. Tracy was our finance guru for nearly two years, while doing that she carried out various administration duties, assisted with events and was always ready to help her team mates out – a lady of many talents.

We are saddened to inform you that we will be losing our other Tracey as well – Tracey Soffe is leaving us next week to resume her career in HR. Tracey brought to Netball Taranaki a huge portfolio of skills and in her short time with us she managed to put in place systems and structures to ensure the smooth and efficient administration of netball in Taranaki. Her warm and friendly manner is going to be missed by all of us.

Whilst it is said that everyone is replaceable, our Tracie's are going to be hard to replace, they both have set very high standards which is going to make it very difficult for anyone who replaces them. We are sorry they are leaving, we are going to miss them dearly and we wish them well in their respective new careers.
