*Let's hear it for the girls...let's give the girls a hand...*

**There are two main things that determine how successful you'll be in life, the teachers, coaches and people you put around you, and YOU!**

Anyone who has ever achieved greatness in any area of their life did so with help, feedback, and advice from great teachers. In the words of one of my greatest teachers...my mum....

**Today Not TOMORROW or TNT as I like to call it!**

This one little piece of advice is what I credit, to giving me that final little push, the extra nudge that made me turn up for practice, even when I wasn't feeling motivated. It kept me focused even when it was extra cold, raining or when a warmer, better offer came along. ..

The other vital part that determines your success is YOU! When you make yourself a priority, when you put in the hard work, blood sweat and tears ...when you're committed and disciplined, that's where the true MAGIC happens. AAAhhh there's nothing better than the feeling of achievement, is there?

Hi I'm Sara Knowles owner of Gloss salon, and I'd like to acknowledge your dedication and your commitment to your team, to your own personal health, well being and fitness, and give you a high five for being a gal that turns up and doesn't make excuses!

So to honour your dedication and achievement, I'd like to treat you... by doing something we've never done before. If you're a new client to Gloss **Not only are we offering 60% OFF Your Colour, Cut and Style**, we're also offering a free Scalp massage and Hair treatment that will leave you absolutely melting in your chair, and smiling all the way home!

***You Deserve It And The Only Permission You Need Is Your Own.***

**Sara Knowles**

**P.S.** we also have a NO RISK guarantee...so if in the unlikely event your not absolutely delighted with your services we'll either do it again for FREE or we'll cheerfully give you your money back.
